ORLANDO, Fla. (June 22, 2018) – The MetroWest Master Association (MWMA) hosted a celebration at MetroWest Golf Club June 20 for eight MetroWest communities that have achieved Crime Free Certification.

Attaining Crime Free Certification is a three-phase process, requiring an eight-hour certification class, inspections by both the Orlando Police Department and Orlando Utilities Commission, and fulfilling Crime Prevention Through Environmental Design (CPTED) requirements.

“Today’s celebration proves that working together as a community is the most valuable tool we have to fight against crime and to make a difference in our society,” said Chris Realin, Orlando Police Department Crime Free Multi-Housing Program Coordinator. “It has been a pleasure to work with Julie (Sanchez, MWMA General Manager) and her management staff, and all the properties that have worked hard and deserve to be recognized today.”

The MetroWest communities that received Crime Free Certification are:

- Alvista MetroWest
- Amara at MetroWest
- Central Park A MetroWest Condominium Association
- Horizons at Stonebridge Place
- The Residences at Veranda Park
- Stonebridge Reserves
- The Summit
- Vistas at Stonebridge Place

“It’s important to offer this recognition because Crime Free Certification requires great dedication and effort on the part of the owners and management team at each of these communities,” said Julie Sanchez, MetroWest Master Association General Manager.
